Divine Solutions for reducing Suicide Cases

Objective:- Whenever we open the newspaper or TV channels, there are lot of news on suicide cases. Suicides are happening due to unable to withstand the stress level. I am publishing this article on how Vastu and Numerology plays significant role in suicides. I believe that this article will be an awareness article for everyone to bring down the suicide numbers by appropriately selecting the houses as per Vastu & Numerology.

Overview:-I thoroughly studied the plan of many apartments and houses where suicides have already happened and come up with this article.

Why Suicides are happening and how it link with Vastu & Numerology?

As I mentioned above that the person is unable to withstand the stress level. Secondly, there are biological or cosmic energy which is not in our control which influence suicides.

There are many reasons for suicides like

1. Due to failure in relationships.
2. Due to serious financial crunch.
3. Due to unable to perform in the education.
4. Due to sudden retrenchment or unable to get appropriate job
5. Due to Chronic health problems.

There are alternative solutions for all the above problems. Suicide is not the solution. Brahma has sent us to the world to overcome all the good and bad incidents and lead happy life. Do you think by doing suicides their souls are going peacefully? No, they are not. They again come back to the world and lead with more problems than the earlier karma.

Secondly, their parents have put forth lot of efforts to bring at this level. Just, by committing suicides due to above issues. Are they really doing justification to their family? No, they are not.

Let's see How Vastu and Numerology plays significant role in suicides.

1. Building came up in big Snake Liar and all the poisonous snakes killed under the Snake Liar. Due to these reason, entire building gets disturbed.
2. Building came up in the cremation ground.
3. The apartment has lot of cuts which is really big vastu dhosh.
4. The apartment numbers are combination of 4 or 8 (This is not auspicious for some of the specific birth numbers).
5. Apartments have more windows on South and West direction and no windows on North and East direction
6. Pooja room is in the SW direction
7. Toilet is in the SE,SW and NE direction.
8. Apartment has been closed or not used for long time.
